

A line drawing of a shower system. It features a vertical bar mounted on a wall with two circular brackets. A handheld showerhead is attached to the bar via a sliding mechanism. A separate showerhead is mounted on the floor, connected to the bar by a long, curved hose.

- ABS construction with single function hand held
- 1/2" female elbow connection
- Includes check valve with back flow prevention
- 6 LPM flow rate
- 90-degree elbow for shower hose

Technical drawing of the shower set showing front and side views with dimensions.

Front View Dimensions:

- Top connection: $\varnothing 64[2.5]$
- Shower head diameter: $100.1 [3.9]$
- Distance from top connection to shower head: $129.9 [5.1]$
- Bottom connection: $\varnothing 52[2.0]$

Side View Dimensions:

- Top connection offset: $67.5 [2.7]$
- Shower head offset: $592.8 [23.3]$
